Shalom

D E C G D
Shalom, Shalom, Shalom

G D
Eden the garden: Oh so fine
A D
Play’d with the creatures all the time
G D
God made it perfect: paradise
E A
Why do we wreck it, it was so nice

Shalom...

Dark in the Garden, Jesus prays
Suffer’in for us in Gethsemane
Takes what is broken to the cross
Gives some new hopin' to all of us

Shalom...

When this whole story’s said and done
We will all sparkle in the sun
Like holy water from the throne
Praising the Maker forevermore.
