

This Ground

(Capo 3)

G
This ground this ground it holds us

G
People around lets notice

C G
The beauty of this place

Breathe in breathe out let's focus
And sing to God in chorus

C G D/F#
How we were taught to pray:

Chorus:

Em7 C G D/F#
Our father who's in heav'n,
Hallowed be your name forever
Give today our daily bread, we pray...
Our father who's in heav'n, Power, glory yours forever
Kingdom come on earth, amen,
Kingdom come on earth, amen.

The rhythm beats in our chest
It echoes through the forest
And pulses through our veins

Around the fire we gather
Our voices growing louder
The sound of roaring flames
