Even me? I'm invited? to a circle of love and grace

A D G D A D G
Even me? I'm invited? you really think I have a place?

E D A D
Good world, God, you've created

E D A D
And we make such a mess

E D A D
Take our, hands in the circle

E D A D
Help us, to do your best.

Even you, you're invited, to hate evil and love good
Even you, you're invited, to live a life as Jesus would

Even we, we're invited, to be the circle, the church
Even we, we're invited, to bring hope where it hurts.

A D G D
Even me, I'm invited

A D G D
Even you, you're invited

A D G D
Even we, we're invited! x2
